

**Often Exhausted**

When Spring Came On, But Never Since Taking Hood's Sarsaparilla.

Mrs. A. Hopkins, 225 East Ragle St., East Boston, Mass., writes: "Years ago I learned what a good medicine Hood's Sarsaparilla is. When spring came on I was thoroughly exhausted and obliged to take my bed. I thought I would rather die than be so tired. I began taking Hood's Sarsaparilla, and before long was perfectly well. Since then, spring has never come without my having Hood's Sarsaparilla."

Get it to-day in usual liquid form or chocolate tablets called Sarsatabs.

**VOTES TO ABOLISH COMMERCE COURT**

(Continued From First Page.)

The Senate was composed mainly of smaller amounts, principal among them being: Nantucket Sound, \$250,000; Jamaica Bay, \$500,000; Albany River, \$300,000; Delaware River, \$500,000; Cape Lookout, \$300,000; St. Mary's River, \$200,000; Chicago Harbor, \$200,000; Ohio River, near Cairo, \$250,000; Los Angeles Harbor, \$250,000.

**PASSES SECOND READING**

Home Rule Bill (Has Increased Majority in House.)

London, May 9.—The government carried the home rule bill on its second reading in the House of Commons to-night by a majority of 101, as against 84 for the first reading. The vote was 312 to 211. It was the most largely attended House at the present Parliament. Both sides had done their utmost to secure every available vote.

The announcement of the figures showing an increased majority caused enthusiastic demonstrations on the government side.

The bill was formally referred to a committee of the whole House, but as home rule and Welsh disestablishment are being taken concurrently it will now be the turn of the Welsh bill. The committee stage of the home rule bill is not expected to be reached until after Whit Sunday, and probably will occupy a couple of months. The opposition is preparing an endless list of amendments.

Curiously, the second reading of the home rule bill coincided with the disappearance of the word "conservative" as the official designation of the Tory party. A conference of the Conservative and Liberal Unionist parties today finally resulted in a fusion of the two parties under the title of "National Unionists." Thus the Liberal Unionists, who seceded from Gladstone in support of home rule, now become part and parcel of the Tory party.

**SENTENCED TO PRISON**

Brzezinski Convicted of Perjury in Underweighting Fraud.

New York, May 9.—The criminal branch of the United States District Court, Judge Hand today sentenced James G. Brzezinski, who had been convicted of perjury in connection with his testimony in the sugar underweighting frauds, to serve eighteen months in the Federal prison at Atlanta, Ga. Brzezinski formerly was a special agent of the Treasury Department. Judge Hand granted a stay pending appeal.

**FATAL AUTO ACCIDENT**

Machine Struck by Engine and Driver Is Killed.

St. Louis, Mo., May 9.—Frank J. Beers, vice-president and general manager of a St. Louis coal company, was killed, Virginia Johnson, twelve years old, of Memphis, Tenn., suffered a fracture of the skull that will probably prove fatal, and Miss Grace Bell, of St. Louis, sustained a broken arm and jaw this afternoon when an automobile Beers was driving was struck by a Missouri Pacific engine at Barrett Station, St. Louis county.

Mrs. H. L. Johnson, mother of Virginia, was severely bruised. Mr. Beers, a brother-in-law of Mrs. Johnson, had been entertaining her daughter, her sister and Miss Bell at one of the country clubs, and the party was returning home at the time of the accident.

county are letters, testimonials and endorsements of all kinds for different officers of the company. Former Mayor Mahon has a full page devoted to his letter testifying to the good character of President Kehoe. Michael J. Ryan, president of a trust company, was also given a full page. Other endorsements of the character of the officials are given by such men as Governor William E. Glasscock, of West Virginia; Judge Frank A. Duncan, Judge N. Charles Burke, of the Court of Appeals of Maryland; former Congressman Kronmiller and many other well-known business men and public officials.

**Negro Badly Wounded.**

Following an argument at his home, 23 North Sixth Street last night, William Jones, colored, was severely cut by another negro named Willie Paxton, Jones's wife, who attempted to interfere, was also cut. Jones was taken to the hospital, where he is in a serious condition. The case was reported to the police, but at an early hour this morning Paxton had not been arrested.

**WILL MOVE FROM DANVILLE.**

Lorillard Tobacco Plant to be Transferred to Wilmington, Del. [Special to The Times-Dispatch.] Danville, Va., May 9.—Notice has been served upon all the employees of the Lorillard tobacco plant, that after Saturday, May 12, their services will not be needed, as the local plant is to be closed down and transferred to Wilmington, Del., following

out the company's idea of consolidation of their small plants. While this is the primary cause, it is understood that the lack of help in the launching department is also partly responsible for the transfer. The plant will complete manufacture during the remainder of the week, and after Saturday 25 operatives will be without employment, fully two-thirds of whom are white female help. The remainder are white males. The company intends removing all the machinery in the local plant at Wilmington, and this work will be undertaken immediately. E. M. Cabanis, manager of the local plant, has accepted the same position in Wilmington that he holds here. The new move comes as a surprise.

**GOES TO CEMETERY TO PUT ON BRIDAL GOWN**

[Special to The Times-Dispatch.]

Norfolk, Va., May 9.—From her home to school, then to the cemetery and next to the Green Green was the romantic route of a fifteen-year-old school girl, who was married yesterday. Miss Eula Pearson Cherry, of Portsmouth, was the daring girl, and her husband is John Edmonds, twenty-five years her senior.

A telegram announcing the wedding was received to-day.

The girl went to school yesterday, wearing short skirts, with her hair plaited down her back in regular schoolgirl fashion. She went to the cemetery, where friends arrayed her in bridal costume. She was met in the cemetery by Mr. Edmonds, and the couple went to Monck, N. C., and were married.

C. O. Cherry, brother and guardian of the girl, learned of the intended elopement and tried in vain to prevent the wedding.

**A Dainty, Delicious Delight**

for the Summer days when the palate is tired of heavy meats and soggy pastries

**Shredded Wheat Biscuit and Strawberries**

Being made in Biscuit form it is so easy to prepare a delicious, wholesome meal with Shredded Wheat and berries or other fruits. The porous shreds of the Biscuit take up the fruit acids, neutralizing them and presenting them to the palate in all the richness of their natural flavor. Heat the Biscuit in the oven to restore crispness; then cover with strawberries or other fruits and serve with milk or cream, adding sugar to suit the taste. More nutritious and more wholesome than ordinary "short-cake" and so much easier to prepare—requires no baking and no cooking.

Shredded Wheat is made of the whole wheat steamed-cooked, shredded and baked in the form of crisp golden brown Biscuits, ready to serve with milk or cream or fresh fruits.

Wilbur Randolph, colored, was arrested yesterday afternoon on a warrant, in which he is charged with failing and carrying away one lot of glue, the property of the Miller Manufacturing Company. The glue is valued at \$1.

Harry Tomlin, a former inmate of the Laurel Reformatory, was picked up early yesterday morning by Captain A. S. Wright and charged with being a suspicious character, suspected of larceny of \$15 from the Aragon Coffee Company. A companion, Willie Lewis, was also taken in charge as a vagrant. Tomlin was ordered sent back to Laurel to finish his term by Justice Haughm, sitting for Justice Maurice. Lewis was sent to jail for sixty days.

It is again persistently rumored that the Southside will have a new vaudeville theatre to be located on Hull Street. Who is back of the scheme or what site the promoters have in view, is a puzzle to the realty dealers. There is no available location on Hull Street between Tenth and Eleventh streets, and the old buildings are torn down. Only lot at Twelfth and Hull streets was sought by local men about a month ago, but the negotiations were broken off.

The people of the Southside are eager for a theatre showing first-class attractions to locate in their midst. The motion-picture theatres are well patronized, and a better class of entertainment is needed.

Wizards Lose to Sluggers. In a wind-blasted, in which Pitcher Bullock was driven from the box, the Southside Sluggers yesterday won from the Wizards by the score of 11 to 3. The game was played on the Spring Hill diamond before 25 yelling supporters of the Wizards. The spectators worked harder than the players, and the total result made a splendid game. For the Wizards, Bullock pitched until relieved by Monks, and Vast caught. The Sluggers were represented by Anderson in the box and Taylor behind the bat.

Few Realty Transfers. Although all realty people seem to be doing an excellent business, property transfers for the past few weeks have been at most at a standstill. Yesterday one deed of bargain and sale was placed on record in the Hustings Court, Part 2. By its terms George E. Hines became the owner of thirty feet of property fronting on Twenty-second Street, which he purchased from William E. Purcell for \$10 and other valuable considerations. A frame house, known as 21 West Twenty-second Street, is on the lot.

Mr. Gary at the time of his death was Fire Commissioner from Washington, Wash. He had a host of friends on both sides of the river, and a large number are expected at the unveiling. The ceremonies will be impressive. They will be held in Mary

Cemetery, where the shift is being placed.

### A Big Story

**"If the Sea Could Tell"**

Swift and silent—almost like a ghost ship—unguided by human hand and without a visible sign of life aboard her, a beautiful sailing vessel roamed the seas until picked up by a millionaire's private yacht.

Around this pivotal episode Mrs. C. N. Williamson has woven a marvelous story of love and adventure. A story which carries the reader from chapter to chapter with ever-increasing interest. A story whose action takes you half around the world. A story dealing entertainingly with mystery. Delightful! Entrancing! Thrilling!
